Subject: Tejon Quarries-M/027/087

Based on several phone conversations (one on 2/10/04 and 2/11/04) with Mert Hamilton, the owner and operator of the Levin #2/Red Gulch/Tejon Quarries(currently named). Also based on a letter, we received on February 9, 2004, the Division accepts e name change as proposed and modified from the letter to TEJON QUARRIES and each individual Quarry will be named and numbered on a map to be submitted to the Division with the Large Mine Plan when this is received by the Division
After conversations with Mr David Ryzak, this plan will be forcoming this month.
